-- PRESS RELEASE --

Parker County ESD 1 closed on property for the future site of the main Aledo fire station on Wednesday morning. The 3.5 acre site is located on Bailey Ranch Rd across from the Aledo 9th grade center. The location was selected as part of a fire station location study performed by MP Consulting to strategically deploy resources to serve the Aledo and Annetta region, and sustain projected growth. Planning is also underway for the construction of the new station in Annetta South at the FM 5 and Thunderhead Rd. intersection.
